God is always working, always moving. He is always calling us to join him in what He is doing NEXT. *“Look, I am about to do something new; even now it is coming.*

Do you not see it? Indeed, I will make a way in the wilderness, rivers in the desert.” Isaiah 43:19

We serve a God who calls us to look forward, promising a future that is **greater than we can imagine**. To ensure that the mission of our church not only continues but thrives, we are asking for a special commitment that moves us beyond our traditional budget constraints. A commitment that focuses on strengthening campus infrastructure, expanding ministry reach through new language services, and bolstering community and mission outreach to ensure long-term growth and mission impact. We are asking you to step out in faith and to go beyond your regular giving. Together, we can make a tangible investment in reaching more people with passion and excellence. Please pray about how the Lord will move in your heart to be a part of this vital endeavor.

Exciting growth is happening at FBCWF West!

Larry Mauldin
West Campus Pastor

As our congregation continues to expand, we have reached a critical point where our current facility can no longer comfortably host everyone. After a year of careful evaluation, leadership determined that expanding our Barnett Road campus is the most fiscally responsible path forward. This project will increase worship capacity, add vital classroom space, create a convertible flex area for Family Nights, a worship room for Kids and a new Oneighty student room. By maximizing our facility's efficiency, we are ensuring that FBCWF West remains a thriving center for ministry and community impact.

FBCWF ESPAÑOL

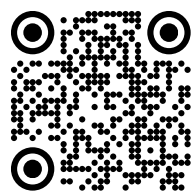

**SPECIAL
ANNOUNCEMENT
COMING
SEPTEMBER
13**

We believe God is calling us to launch a Spanish-language ministry in late 2026 or by Easter 2027. This isn't just a new program; it's a mission to reach an underserved part of our community with the Gospel of Jesus Christ. As we prayerfully seek the right leadership and team, we invite you to join us through the NEXT campaign. Your generosity is an act of worship that lays the groundwork for transformed lives, stronger families, and a vibrant new community of believers—all for His glory.

EN ESPAÑOL!

I believe the Español Ministry is going to provide a time and a space for families to come hear the gospel for the very first time and we look forward to the lives it's going to change.

~ Carlos Trevino

I truly believe God has brought the Latino population to our doorstep because they need hope and they need to hear the Gospel of Jesus Christ. I can only imagine what God can do!

FBCWF SHEPPARD CAMPUS

Mark Mackey

Campus Pastor

FBCWF Sheppard continues to be a vibrant home for military families and North Wichita Falls residents. Since becoming part of the First Baptist family, we've updated our worship center and classrooms to better serve our guests and members. As our community grows, we want to make arriving here even easier. We are excited to announce a new South Entry and Pavilion! This project will create a clear, welcoming "front door" from our main parking area and provide a beautiful outdoor space for fellowships and community gatherings.

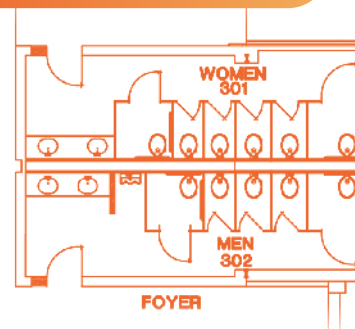

FBCWF DOWNTOWN CAMPUS

Jerry Royal
Executive Pastor

The **NEXT** campaign is our commitment to stewarding the incredible facilities we've been given at First Baptist Church. By modernizing our 20-year-old **Worship Center** lighting and sound, plus improving our Main Hall restroom accessibility, we ensure that our main campus remains a welcoming hub for our community. We are also investing in **The Hill** by repaving its parking lot to provide a safer environment for hundreds of students who gather there weekly. Finally, this campaign provides for a new 8th Street Entrance and replenishes our **Impact Offering**, fueling our ongoing mission to provide disaster relief and share the Gospel across the nation and the world.
